Permission to Photograph and Film

At certain times throughout the year, our students may have the opportunity to be photographed or filmed for our school publications, such as the newsletter, website and social media, or to promote the school in newspapers and other media.

We also may need to display your child's photograph in the school in relation to any medical conditions and emergency treatment plans.

We would like your permission to use your child's photograph/video for the above purposes.

- I give permission for my child's photograph and name to be published in:
 - St. Peter's print and digital publications including the newsletter, PAM, website, social media and other promotional materials
 - Newspapers and other media
 - Within the school building including sickbay, staff room and teaching areas.
- I understand and agree that if I do not wish to consent to my child's photograph/video appearing in any or all of the publications above, or if I wish to withdraw this authorisation and consent, it is my responsibility to notify the school

Consent is given within the permission section of your child's medical profile form, which can be accessed via PAM or in hard copy from the office.

Thankyou for your continued support.
