

Good afternoon families,

Mother's Day Breakfast

Thank you to everyone who came along to the Mother's Day Breakfast last Friday - what a great turn up!! It was just lovely to see so many families here enjoying each other's company. And it meant the world to the kids! Thank you.

3/4 Camp at Campaspe Downs

The 3/4 classes will be attending Campaspe Downs for their overnight camp this week. They will be leaving school at 9.30am on Wednesday and return to school by 3pm on Thursday. Please ensure permission has been given and see the class teachers if you have any questions. All students are to do a Rapid Antigen test before arriving for camp Wednesday morning.

NAPLAN

Naplan will be held this week and next for all Year 3 & 5 students. All students are asked to sit the NAPLAN tests, however, if you wish to withdraw your child or believe they should be exempt please come and see us for the specific form that will need to be signed.

School Photos

The school photos are scheduled for Wednesday the 18th of May. Information will be sent home separately - please complete the online order asap.

Rapid Antigen Testing

We have been advised that we will continue Rapid Antigen Testing (RAT) for the next 2 weeks. There will be a box of tests given out at the end of today (Monday). This will be for testing twice a week for the coming fortnight. We thank families for your continued support in testing regularly so that we do all we can to minimise the spread of COVID 19 in our school and community. If you have someone in your household and you need to test each day, you may require extra test kits, please ask at the Office if you need additional test kits.

Grade 6 Families

Families are reminded that all of the Secondary Colleges have commenced their transition programs for Year 7 in 2023. Some of the schools have enrolments closing this week and in the coming weeks. We encourage all families with someone starting Year 7 next year to make contact with their preferred school for next year to ensure they secure a place for Year 7. If you need any assistance with this process please feel free to contact us.

School Closure Day

Just a reminder that Friday the 20th of May is a School Closure Day for our staff spirituality day.

A moment in Prayer

God, we pray in gratitude for our mothers and for all the women who have joined with you in the wonder of bringing forth new life.

God Bless, Jen & Mick

AWARDS

Term 2 Week 3

Balam Balam	Marlo Cronin & Rebel Wing-Quay Kennedy
Mur Murra	Brodie Runciman
Duan	Phoebe Pah Eh
Mummumburra	Paitynn Bergman
Barrangal	Jason Kerr & Lochlan Gittins
Yulawil	Penny Pah Eh & Dominic Beagley
Wirrap	Keayna Vella
Guwak	Tahli Creeley & Anthony Gibson

13	JUN, MON	● All day	Queen's Birthday (Public Holiday)

Mother's Day Breakfast

4th Sunday of Easter - Good Shepherd Sunday

Something to Think About

Once again, Lord, your words ease our
aching hearts. You know us; you give us
your best gift, which is eternal life;
you will defend us from anyone who tries to
snatch us away from you.
What more can we ask?

The Scriptures

John 10:27-30

My sheep hear my voice. I know them, and they follow me. I give them eternal life, and they will never perish. No one will snatch them out of my hand. What my Father has given me is greater than all else, and no one can snatch it out of the Father's hand. The Father and I are one.'

The Story

Jesus is our protector and Shepherd who guards and guides, who feeds and protects us from the dangers of life and defends us from anyone who tries to take us away from him. We are assured of this gift as we stay connected to hearing his voice.

Ecological

STEWARDSHIP PROJECT

Mrs. Lauren White - Eco-Stewardship Coordinator

"Laudato Si' reminds us to harbor hope at all times, and especially amidst dark times, including the COVID-19 pandemic. The theme for Laudato Si' Week 2021 is, "for we know that things can change". (Laudato Si', 13)" [https://laudatosiweek.org/what-is-laudato-si-week/]

What is Laudato Si' Week?

Laudato Si' Week recognises the encyclical letter "Laudato Si'" written by Pope Francis on caring for our common home and is a celebration of the progress made by the Catholic Church in regards to ecological conversion.

When is Laudato Si' Week?

This year we will celebrate Laudato Si' Week from Monday 16th May until Tuesday 24th May, 2022. The theme is "Listening and Journeying Together."

Why do we have Laudato Si' Week?

Laudato Si' Week helps remind the world's 1.3 billion Catholics that everything God created is connected and that today's climate and ecological crises require our attention. It helps encourage prayer and actions to improve our home (world we live in). Without this action, the world will not survive as we know it.

What can YOU do?

You can remember that we are all connected to all of God's creations and it is our duty to take care of these creations around us. We can be the change the world needs!

RESOURCE: <https://laudatosiweek.org/what-is-laudato-si-week/>

Living our vocation to be protectors of God's creation is essential to a life of virtue.

Pope Francis, 2015

Program Leaders - Sienna

Early Childhood Early Intervention

Early Childhood Early Intervention (ECEI) assists children aged 0-6 years who have a developmental delay or disability, and their families/carers. ECEI Initial Supports will support children and their families to develop the skills they need to take part in daily activities and achieve the best possible outcomes throughout their life.

How does it **work?**

As an Early Childhood Partner, Intereach will provide families with information about the supports and services available in their local community to help their child achieve their goals. The type of support provided is about what is best for the child and family. This might include:

- Information and linkages to help the family access supports and services available in their local community;
- Short-term early intervention supports if this is the best way to support the child;
- Building the family's capacity and confidence to support their child; and
- Where the child may require longer term early childhood intervention supports, help to request access to the NDIS (the scheme).

Once a child has access to the scheme, the ECEI Coordinator will work with the family to develop a plan that supports the child's goals, explain the plan and support the family to link with their choice of providers.

Is there a **cost?**

There is no cost to access Early Childhood Early Intervention.

Where is it **available?**

Local Area Coordination is available across our Murrumbidgee, Mallee, Loddon and Goulburn regions.
