

Good afternoon families,

Sacramental Celebration

Yesterday Claire and Mason celebrated the Sacraments of Confirmation and Eucharist. We thank the families for preparing their children for these Sacraments in such a tricky year. We congratulate Claire and Mason on such a special occasion!

3/4 Unit Fun Day

Wow!! What a great day the 3/4s had last Wednesday! The kids had an amazing day - and they were exhausted by home time (so were the teachers!!). We would like to thank all the students for the way they participated and engaged in all the activities! We would also like to thank the teachers for all their preparation and hard work to make such a fun day. Well done!!

5/6 Fun Day

The 5/6 students will have their special Fun Day on Wednesday December the 9th!!

End of Year Reports

The reports will again look slightly different due to the impact of remote learning. The staff have been revising the English and Maths progression "dots" and how to ensure an accurate level is provided after further professional learning on the curriculum levels. Some students' results have been marked down to the current accurate assessment.

Yr 5 About You Survey

The Year 5 students will participate in a Victorian Students Health and Wellbeing Survey conducted by the Victorian State Government on Monday the 7th of December. The survey will take place during class time. Information will be sent home to parents this week.

End of Year details

There has been some lifting of restrictions in schools so are very pleased to announce:

Orientation Day - Tuesday the 8th of December from 11.30am - 1.30 pm. Students will all spend some time with their 2021 teachers and class groups.

Reports (and PLPs) will go home on Friday the 11th of December

Final Assembly and Award Presentation will be on Monday the 14th at 9.30am - all are welcome to attend Whole school End of Year Graduation Mass - St Kilian's Church 6pm, Tuesday the 15th of December

All families are now welcome back to St Peter's to enjoy a 'take away' dinner together.

End of the Year - the students finish on WEDNESDAY the 16th of December at 2.15pm

A moment in Prayer

Dear God,
We ask you to Bless
Claire and Mason,
Help them grow in faith
and love,
And continue to spread
the Good News of the
Gospel
Forever in your name,
Amen

St Kilian - Pray for us.
St Peter - Pray for us.
Amen

*God bless,
Jen & Mick*

On Wednesday we had our Fun day because we did not get to have camp but I am still really happy. Funday was the best day ever. I don't know what camp seemed like but I really loved Funday. We made cars that were made out of cardboard boxes, we had a slip and slide and a treasure hunt. It was the best day ever and I just want to do it again. We had special treats and watched Big Hero 6. We made our own shirts and had pizza for dinner. Thanks to the 3/4 teachers. - Zephyr, Wirrap.

My favourite part of fun day was probably the scavenger hunt because it was really fun to find clues and solving the really interesting riddles. I also really liked working with my group to find all the emojis which had clues on it. I also especially liked the second one because it was challenging and tricky to find, and after all that we were the second group to find all the emojis. By Melba

My favourite thing about the fun day hands down has to be the slip and slide because I liked getting squirted in the face and having a free shower and bath. By Oscar

I will tell you about the 3/4 fun day. First what we did was a treasure hunt we had to found letters all over the school we might have looked at your class room door for the treasure hunt. When we were done we coloured t-shirts and paint it. Then

My favourite thing was the Slip N Slide because I went down on my tummy and slid down. It was exciting because people pulled faces and the faces were funny. I had lots of fun. By Sam G-K

My favourite thing was making the t-shirt. Because it was fun decorating the t-shirt because I got to write what I wanted. I got to write yeet. By Ant

My favourite thing was the slip and slide. It was fun flicking the detergent from the slip and slide onto the teachers. By Jett

I enjoyed making a cardboard car and getting shoved into a little space in the car while making my friends comfortable. It was nice because I was the smallest everyone was shuffling while I was relaxing in the corner. By Beatrice

My favourite thing about fun day was the pizza because it was sooo yummy and the combination made it better and the cheese was on top of the pizza which made it crispy then it made everything go together. By Zayvieah

I like doing the treasure hunt because we could go all around the school with my friends. The fun day was so fun we got to cook pizza and planted a type of veggie and we made a car. And ate ice cream we had a slip and slid. Over all I loved it, and the slip and slid we got a free shower. By Sam Dee

we had a normal lunch we had lunch earlier then you guys but when we had 2nd lunch we had fish and chips but we only had chips then we had a break some of us played tag some people played on the playground when break was done we tried to finish out t-shirts some of us didn't finish out t-shirts but that was okay. Then we made cars some people made cars that fit 1-6 people. By Rosie

We ate pizza and painted shirts - it was cool. - Tyson

On Wednesday the 3/4's had a fun day. I came to school at 9:00 am until 8:00 pm. We made a car for our movie and pizzas and we went on the slip and Slide. It was fun and went on the scavenger Hunt and it was fun. - Elvis

Fun day was on Wednesday. The first thing we did was was a scavenger hunt and the scavenger hunt spelled a word that word was movie ticket and then we got a movie ticket for the movie Big hero 6. Then we ate lunch then had a brake. We decorated T-shirts we made cars out of boxes we made cold rock we did a slip and slide at the end of the day we watched Big hero 6 in our cars and had popcorn and had lemonade and it went from 9am to 8pm. - Logan S

We made pizzas, we went on the slip and slide. We made cars and watched a movie in our cars and ate popcorn. We also went on a scavenger hunt. My favourite part of the day was the slip and slide because it was slippery and I got to go with Miss Beames. - Emily

I liked the fun day because of the slip and slide. I also liked building the cars with my friends/ There were a lot more things we did too. It was a great day. I liked the scavenger hunt also we had to find emojis around the school and there were clues on the paper, which lead us to a surprise word at the end. By Ava

My favourite part of the Fun day was the slip and slide because it was fun, and we got wet. - Harmony

Something to Think About

Today we celebrate the beginning of the Church's liturgical year.

Advent is a season of joy and expectation. It is a time of preparing and getting ready for the birth of Jesus that we celebrate at Christmas.

The Story

The gospel warns us to be on our guard and to be ready for when Jesus comes again. Nobody knows exactly when that will be, so we need to try and be ready all the time.

Jesus asks us to keep our eyes open to see what is happening around us so that we can do good in the world.

What do you think Jesus wants us to see in the world as we look around us?

The Scriptures

A Reading from the Holy Gospel according to Mark 13:33-37

Jesus said to his disciples:

"Watch out and be ready! You don't know when the time will come.

It is like what happens when a man goes away for a while and places his servants in charge of everything.

He tells each of them what to do, and he orders the watchmen to be on their guard. "So be on your guard!

You don't know when the master of the house will come back. It could be in the evening or at midnight or before dawn or in the morning.

But if he comes suddenly, don't let him find you asleep.

I tell everyone just what I have told you.

Be on your guard!"

The Gospel of the Lord. Praise to you, Lord Jesus Christ.

"Stay awake! You never know when the Lord will come."

Congratulations to Claire and Mason who received the Sacraments of Confirmation and Eucharist. During Confirmation, God the Holy Spirit comes upon the person, accompanied by God the Father and God the Son, just as he did at Pentecost. They also received Communion for the first time. The Holy Eucharist refers to Christ's body and blood present in the bread and wine.

A prayer for Claire and Mason:

Creator Spirit, strengthen these children with your gifts of grace, to love and serve as a disciple of Christ. Grant that they may grow into the fullness of the stature of Christ. Fill them with the joy of your presence. Increase in them the fruit of your Spirit: the spirit of wisdom and understanding, the spirit of love, patience and gentleness, the spirit of wonder and true holiness. Amen

STEWARDSHIP PROJECT

Mrs. Lauren White - Eco-Stewardship Coordinator

'Up to 50% of items in school bins come from food and drink packaging.

You can help the environment and your school save money on waste disposal costs.'

(<https://highlandreservess.eq.edu.au/Supportandresources/Formsanddocuments/Documents/News/nude-food-day-information-for-families.pdf>)

What Are We Doing About Plastic Waste At School In 2021?

In 2021, St Peter's will be aiming for reduced packaging in our lunchboxes by promoting 'nude foods'. Plastic waste is a huge problem for our environment, mostly ending up in natural environments and waterways where it is harming animals of all sorts.

What Does Nude Food Mean?

Nude food is just food that does not require excess packaging or plastic around it. It may have it's own skin/protective layer such as an apple, banana, orange, mandarine, kiwi, snow peas, etc. Usually, this means food that is not processed, often making it a healthier and more environmentally friendly option.

Why Are We Promoting Nude Food?

Not only will nude food help reduce the amount of plastic waste from the lunches and snacks brought to school, but it will also help protect our environment and all living things. Nude food is also the healthiest food for our body and mind which will help our students learn and play better.

What Could Our Lunch Boxes Look Like?

Lunch boxes and snacks could be filled with fruit and vegetables, sandwiches, wraps, bread rolls, Saladas, Cruskits, rice cakes, natural yoghurt, popcorn, home-made muffins or slices, dips,

Tips For Nude Food:

- AVOID cling-wrap, zip-lock or plastic bags, foil, single use cutlery or pre-packaged foods.
- Use reusable containers and lunch boxes with sectioned compartments.
- Involve children in packing/making their own lunch and snacks – they're more likely to eat it.
- Cut up fruits and vegetables and put them in small containers or compartments of a lunch box.
- If mornings are busy, pack food the night before and keep it in the fridge.
- Ask children what they like to eat at school/ preschool and how much time they have to eat (it may be different and much less than at home).
- Encourage your child to bring home any uneaten food to be eaten later.
- Try making your own snacks- check out the Nude Food Recipes on the WOW Nude Food page.
- Many snack items can be bought in bulk and put into smaller reusable containers.

This can reduce packaging and save money.

- Don't buy drinks in packaging that can't be resealed as children usually only have a few sips and then discard the rest. Pack drinks in a reusable bottle. WATER is the best drink for children to have.

Wellbeing

Stacey Frost & Kristy Dupille - Social Workers

It's time to start getting excited for Christmas and spreading joy... my favorite time of year!! With the overwhelming year we have had it is even more important to show our children the true meaning of Christmas. Thanking God for all the blessings in my life, how wonderful that we can now see family and friends. This December I will be taking the time to pause... pause and reflect on how resilient and adaptable my children have been, how very lucky we are to be healthy and happy.

I have 2 grandmas ages 93 and 92 and I was lucky enough to see them on the weekend, for the first time in 6 months. I could feel their excitement at being surrounded by their children, grandchildren and great grandchildren. My favourite part was sitting talking to them, enjoying their company and hearing their wisdom. It didn't cost any money, but filled my heart with so much joy. Here are some ideas to spread some joy:

Send Christmas cards / letters / drawings to people that have been special to you this year, Do some christmas baking with your kids, Watch a christmas movie together... my favourite is Home Alone!

Think about some gifts that can be home made instead of purchased, Looking forward to seeing Christmas joy beginning to spread.

Stacey.
