

*Hello families,*

## Learning Conversations

This term we have Learning Conversations as part of our reporting schedule for all students. (There are no PSGs until Term 4). This is an opportunity for you to discuss your child's progress and achievements with their teacher. Your child is expected to attend the conversation with you if possible. The Learning Conversations will be held on Wednesday the 9th of August and Tuesday the 15th of August. Please book your appointment through Simon Everywhere or your child's teacher or the office.

Amen

## Something to Think About

We treasure many things in life. We treasure some more than others. Our faith and love of God, the love of others and our care for them - these are treasures. They make us joyful and also challenge us to move out of narrow self-concern. In prayer we can be grateful for what we really value in life, and ask God that we value highly our relationship with him.

## The Story

Lord, you hit me hard with this gospel. It calls for no compromises. The search for you, and the service of you, is the pearl of great price, the treasure worth more than all that I possess. You are not speaking of a single act of renunciation. You ask us to show that priority all through our life, in every decision we take.

## The Scriptures ~ Matthew 13: 44-46

“The kingdom of heaven is like treasure hidden in a field, which a man found and buried; then in his joy he goes and sells all that he has and buys that field.

“Again, the kingdom of heaven is like a merchant in search of fine pearls; on finding one pearl of great value, he went and sold all that he had and bought it.”
